

Better Horse ↔ Better Rider

"What is the one thing that worries you about your horse

--- the one thing you don't want to address---

the one thing you think can't be fixed or have no idea where to begin fixing it?

This clinic is about finding the root of the problem and the solution to fix it"

Riding:

Teaching Half Halts---A half halt the rider and horse understand

Teaching the stop

Teaching better connection

CLINIC

Things we will cover:

Respectful in the ground work

Standing for farrier

Leading with respect

Standing quietly

Standing while mounting

"Our techniques can lead to a quiet, happy horse,
with better respect on the ground and lighter response under saddle..."

Saturday March 24, starting at 9 am

\$125 per horse, stall included

\$20 to audit

Lunch Provided
